

STATE OF NEW HAMPSHIRE

Engineering Technician II (Data Collection Technician II) \$25,194.00 - \$33,228.00

The NH Dept. of Transportation, Bureau of Materials and Research in Concord, has a vacancy for a full time Engineering Technician II position.

The Engineering Technician II provides technical assistance to the Data Collection Supervisor in the collection, analysis, processing and reporting of field data as required by the Pavement Management Section of the Department of Transportation's Bureau of Materials and Research.

Min. Qualifications:

Education: Graduation from high school, G.E.D. or its equivalent.

Experience: Three years' experience as an Engineering Aide or Engineering Technician, at least one year of which shall have been at a level equivalent to Engineering Technician I.

OR

Education: Associate's degree from a recognized college or technical institute with a major study in engineering, landscape, architecture, forestry, horticulture, environmental studies, agronomy, geology, soil science or earth science.

Experience: One year's experience at a level equivalent to Engineering Technician I.

Special Qualifications: Must have driving record acceptable to Department standards.

License/Certification: Possession of a valid Operator's License from the State in which the employee resides. Position requires access to transportation.

Per current Collective Bargaining Agreement, this position offers a full benefit package, which includes fully paid medical and dental insurance, paid vacation and sick time, and advancement opportunities.

This position requires the submission of an Employment Application with additional forms.

Point of contact for this position (17207) is Alan Rawson at (603) 271-3151. For an employment application package, please visit our website at www.nhdot.com or call (603) 271-6070. Send completed application to NH Dept. of Transportation, Bureau of Human Resources, PO Box 483, Concord, NH 03302-0483.

Employees will be required to pay an agency/union fee.
